WHY?

This initiative is intended to be a relaxed meeting between fiber artisans; an opportunity for the eastern Canada spinning community to gather and spin together with spinning wheel or spindle, in Haute-Gaspésie! This is not a course but rather camaraderie, and knowledge exchange; *Something to feed the heart and the senses!*

Cost : \$ 20.00/day/person, or \$ 50.00 for the 3 days/person.

***The payment must be done prior to the event by Interac, through our e-email (see below) or by personal arrangement.

To bring :

- A comfortable chair to spin, a stable spinning wheel in order, your accessories and material.
- Your cooler, pic-nic style for lunches or more, water bottle...
- Clothing for all temperature, including a wind breaker.
***In case of rain, a covered shelter will be available.
- Also : A wide brim hat that can be attached, or an umbrella of some sort...

Outdoor spinning recommandations :

Wind is *NOT* a negligible factor by the sea;

Plan to bring a bag or basket that closes well, material/fibre prepared in a concise way so as not to catch in the wind and ideally **READY** to use (rolags, cotton roving, wool staples to spin on the fold...).

Who is Diane Gonthier? *I am a Master Spinner and a professional fibre artist.*
